

SAVE THE RED DOOR – CALL TO ACTION

We need your help to really turn up the pressure on the receiver and the prospective developer. **Over the next 2 days, please make a phone call, or send an email** directly to both the receiver (Harlan Schonfeld Inc.) and the developer (Harhay Construction Ltd.)

Let them know:

“Any plans you make need to incorporate the Red Door Shelter in a concrete and real way. We will not support a development without the Red Door.”

Harlan Schonfeld: 416-862-7785 ext. 1; harlan@schonfeldinc.com

Chris Harhay: 416-626-7141; charhay@hcml.ca

THANK YOU FOR YOUR SUPPORT!
